

## **4/25/17 Middle School Parent Meeting**

### **Updates**

The Community Center hosted a Parent education night Thursday 4/26 with the West Marin Coalition for Healthy Kids. Jasper Thalin was the keynote speaker.

LEAP and families in all programs helped raise \$5,500 from the Read-a-thon. Great job! The money will be split 3 ways. Pledge numbers from LEAP's general fund will total \$11,660 by the end of this school year. The Middle School will get all of these funds. The pledge numbers for Middle School families will total \$15,802 by the end of this school year. Approximately 70% of all Middle School families participated in pledge. The hope is 80% participation, but our pledge gave approximately \$6,000 more this year than last year. Valley Visions was a blast. 160 tickets were sold!

Jeff Lipstraw is our school's new business manager. He was our business manager several years ago so he knows what he is getting into.
